How to reach the PSR marina:

By car: Follow the A4 highway to Trieste. After the toll station, continue for about 40km towards Muggia and take the Muggia exit before following the signs for Porto San Rocco.

By air: The nearest airports are Trieste (55km), Venice (170 km), Portorose (Portorož) (30km) and Ljubljana (130km). There are direct flights to Trieste from all over Europe and connecting flights from across the globe.

By train: to Trieste, from there you can reach the marina by local buses, ferries, or by taxi.

By sea: To reach Porto San Rocco by sea, you need to enter the Bay of Muggia, in the Gulf of Trieste. Pilotage for the final approach is straightforward. The breakwater entrance is 50 meters wide and indicated by two green and red flashing lights. There are no problems with draught inside the marina. Please contact the marina on channel 74 or 16 on arrival. Coordinates N 45 * 36'621, E 13 * 45'155. Communication channel 74 (round the clock).
